"Railway Evangelist" To Spend Next Wednesday Evening in Narberth

David J. Fant, who is conducting an evangelistic campaign in Philadelphia, will slip away next Wednesday evening to address the meeting to be held in the Narberth Presbyterian Church. Many years ago "God broke Dave Fant's heart with the little white casket that held the body of his first born son." Since his conversion through the influence of Christian friends at that time, Mr. Fant felt that his run between

Atlanta and Greenville of 160 miles a day is his "parish," and he has asked God to let him evangelize it. He preaches to the section men and others along the line and has held meetings in almost every town along the run. Mr. Fant believes in prayer. He always kneels in the cab of his locomotive before pulling out of the big Atlanta Terminal and commits his train and all that it carries to God. Dr. H. A. Banks, who has written of him in the Sunday School Times, gives this incident:

"When I was private secretary to the Secretary of the Navy, I arranged some Sunday meetings for Fant in the Capital City. The engineer was at my home, and we 'bunked' together one night, talking of Auld Lang Syne till the wee small hours. About daylight I was awakened by a loud whispering in the room, hearing my own name spoken. Fant was up, praying. He told me then that it takes him two hours at this time every morning to finish his prayer list. Wouldn't you like to be on it?"

Frequent rehearsals are being held by the chorus for the special music on Easter Sunday in the Presbyterian Church.

Do not fail to hear the great "Railway Evangelist," David J. Fant, in the Presbyterian Church next Wednesday evening.

The meeting in the Presbyterian Church on Good Friday evening will be addressed by Rev. Harry H. Crawford, who has spoken so acceptably in this church before.

All students or graduates of the University of Pennsylvania are specially urged to attend the service at 7.45 P. M. next Sunday at the Methodist Church.

The Easter program in the Presbyterian Church includes a joint meeting of the two Christian Endeavor Societies at 7 P. M., which will be addressed by Hon. Fletcher W. Stites.

Our Town acknowledges, with thanks, receipt of a donation of \$10.00 from the Women's Community Club of Narberth. This organization has done much to assist in financing this paper, and their assistance in this respect is greatly appreciated.

Mr. Freeman H. Hubbard, of 316 Woodbine avenue, has been appointed Narberth correspondent for the Philadelphia Press, which started a suburban department last Monday. Mr. Hubbard is doing his best to boost Narberth in the columns of this newspaper and would appreciate anything in the way of news items, suggestions or complaints. His address is P. O. Box 268, Narberth.

Capt. Bairnfeather's laughing stage success, "The Better 'Ole," has been adapted "to the movies," and will be shown at the Palace Theatre, Ardmore, on Wednesday. The story is chiefly the humorous side of the late war and is full of those things we overlooked in the seriousness of our great struggle for democracy.

Main Line Women Victory Loan Workers

A mass meeting was held in the Ardmore Women's Club House on Thursday, April 10th, at 3 P. M.

The "Victory Chorus," composed of forty women singers, was one of the features of the program.

Mrs. Richard J. Hamilton, President of the Women's Club of Ardmore, made the address of welcome.

Mrs. D. G. Romback, Chairman of the Women's Committee of the Main Line, introduced the speakers, who were Mrs. Robert J. Rolston, Chairman of Montgomery County Women's Committee; Mrs. J. B. Hutchinson, one of the eight women members of the Advisory Board of Pennsylvania; Mr. David S. Ludlam, Chairman of the Main Line Committee, and Mr. H. F. Wetmore also gave a short address.

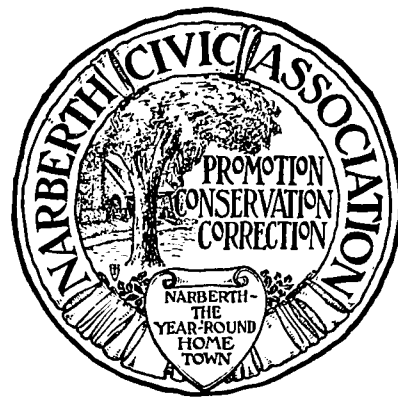

Lieutenant Sydney Thayer, just returned from overseas, told some thrilling experiences of many battles in which he fought.

Big Liberty Loan Meeting At High School Wednesday Evening, April 16th

At the meeting of the Main Line Liberty Loan Committee held on Thursday evening, April 3rd, plans were made to make the Fifth Liberty Loan Campaign on the Main Line the greatest whirlwind campaign ever held out here. The slogan is, "Put it across in 48 hours," and all the men and women captains and the committee members are organizing more strongly than ever before to accomplish this end.

There will be a big mass meeting for Liberty Loan workers and also for the public, to be held in the auditorium of the Lower Merion High School at Ardmore, on Wednesday evening, April 16th, at 8 o'clock. Some of the most prominent speakers in this part of the country are going to address this meeting and the band of the Ardmore Chamber of Commerce has volunteered its services to play.

This Fifth Victory Liberty Loan gives us here on the Main Line an opportunity to show that the splendid records made during the previous campaigns were more than bursts of enthusiasm in the heat of battle. This is our chance to prove that we are willing to pay the cost of the glorious Victory that our own American boys had such a splendid share in winning.

"The Object of this Association shall be to improve and beautify the Borough and vicinity; to assist and co-operate with the authorities in enforcing laws and ordinances relating thereto; to promote any project having for its purpose the betterment of the community as a whole; to provide a means of acquiring and disseminating information on any subject of general interest; and to foster and maintain a fraternal spirit among the people of our community." Dues for Voting Membership for one year, \$1.00. Every resident of Narberth and vicinity eligible.

Civic Association Meeting of March 20th

The following special committees were appointed to arrange for the April meeting, at which time it is to be hoped that practically all of the members of the Association can be present:

Music Committee—Miss F. Schubel, Mr. W. P. Nash, Mr. A. J. Loos.

Speakers' Committee—Mr. J. H. Nash, Mr. E. A. Muschamp.

Publicity Committee—Mr. H. A. Jacobs, Mr. R. J. Edgar.

Mr. H. R. Hillegas, chairman of the Garden Committee, made his report for the past season's work. The committee was thanked and retired.

The Cashier's report, covering receipts and expenditures for Our Town, was read and approved.

Mr. A. E. Wohlert explained at the meeting that the trees which were given as prizes for the best kept garden during the season of 1918 were to be distributed at the Old Post Office Building on Saturday morning, March 29, as this was the best date for replanting the trees.

A lease prepared by the Pennsylvania Railroad Company for rental of the Old Post Office Building was presented to the meeting and approved. The Secretary was instructed to sign the lease, effective April 1, 1919.

Main Line Employment Bureau Co-Operating with Y. M. C. A.

At a special meeting of the Committee of the Main Line Employment Bureau, whose offices have been opened at Room 5, Merion Title Building, Ardmore, it was decided to co-operate to the utmost with the local Y. M. C. A. in furnishing employment for returned soldiers.

Captain Longstreth, who is in charge of this work for the Y. M. C. A. on the Main Line, conferred with the Committee and the Main Line Employment Bureau have offered to place returning soldiers into positions without charge to the soldiers.

This Main Line Employment Bureau has already proved that it is to fill a long needed want on the Main Line, and the Committee urges that both employers and employees use its facilities to the fullest extent.

Cub's Weekly Letter

To the Editor of Our Town:

Receipt of your letter threatening to hire a new reporter is hereby acknowledged. You complain because I only work once in a while instead of every week. I ask you, how can I report anything when there is nothing to report? In my own defense I feel justified in saying that the Town seems awfully quiet and that nobody is doing anything worthy of chronicling in such a well edited sheet as Our Town. All of my heroes seem to be dodging me. In view of this explanation, I hope you'll keep

me on the pay-roll, because I surely need the money.

Here's the news. If it isn't interesting, don't blame me.

The Burgess is back. Now you'll see a steady stream of new babies flowing toward the Executive Mansion to be kissed and presented with the usual \$10.00 gold piece.

I have been waiting for Bill Cummer to make some break that would make interesting reading, but all he does now is to spend his leisure hours playing pool in the Fire House, when he ought to be digging his garden. He's fascinated by the game. Guess he never saw a pool table before. Besides, Bill has some new competition now, and it worries him.

John Caldwell is also keeping quiet. Can't imagine why, unless he's reformed.

Charley Noel goes around with a glum countenance and doesn't speak to any one. Not enough fires to suit him, I suppose.

August Evergreen seems to have gotten lost in the shuffle. Guess his heart broke after giving away those trees.

Lew Hess is aging fast and keeps close to his fireside. Have you noticed how his moustache gets blacker and blacker as his hair gets whiter and whiter? Poor Lew! He had no storm door during the severe winter of 1917-18, but bought himself one late last year. The mild winter didn't give him much chance to test it, and it was pitiful to hear him bemoan his bad luck. To make him feel worse, the high winds of last week blew the thing across the lot.

Have you had occasion to pass McFadden's Row of Flats of an evening? If you want excitement, just hang around there for a while. Musical and unmusical instruments, musical and unmusical voices, all try to outdo one another nightly—and they talk of Belgian atrocities!

Carl Ludovico continues to flood John's garage whenever he washes his car, and John is beginning to notice the water bill. When the Count goes in there for his car he is compelled to wear rubber boots—much to his disgust.

The Delta Sigma Sorority—whatever that is—gives a dance at Elm Hall Friday evening, April 11th.

The Main Line Fishing Club is beginning to wake up to the fact that spring is here. When the members are fully alive to the significance of that Thirst of July law, I am afraid that interest in fishing will wane.

Narberth has been admitted to the Main Line League and the team will be made up practically of local talent. Let's climb the hill oftener this season. It will be worth while.

Whenever the skies look cloudy the whole P. R. R. schedule is disarranged. Have to blame that on the Democrats.

When the wind amounts to more than a gentle zephyr, the Electric Light Company suspends operations. Guess I'll blame that on the Republicans for tolerating that kind of service.

The school houses are becoming overcrowded. The new elementary building, containing eight large class rooms, which has been in commission not quite two years, is filled. It seems as though this was a children's town. Glad it is, but at the present rate of increase we'll have to put up new school houses every two years and engage additional teachers by the dozen. And the school taxes—whew! Any one interested in school affairs, with the exception of August Evergreen, should make a note of the fact that Mr. Teitrick, Deputy Superintendent of Schools for the State of Pennsylvania, is coming to Narberth very shortly to deliver a little lecture on our school needs. It's just the kind of information that all parents should take the trouble to get. The date of the meeting will be duly advertised and no parent having a lively sense of responsibility for his youngster's educational welfare will miss it.

The Senior Play will be held Saturday evening, April 12th, in the school auditorium.

And now, Mr. Editor, inasmuch as I have given you all the news, I'll ask as a return favor that you induce Notions, whoever he is, to come out oftener than ever St. Patrick's Day.

Good Baseball Ahead For Narberth Fans

PLANS MADE FOR COMING SEASON—OUR OLD CHAMPION TEAM BACK ON THE JOB.

Those directly interested in baseball had a "get together" meeting at the Y. M. C. A. on Friday evening, April 4, and as the managers of the old team had already entered our team in the Main Line League, new officers were elected and arrangements made to put Narberth on the baseball map, and make a good try for the championship of 1919.

The officers elected for the coming season were as follows:

President—Raymond C. Jones.
Vice-President—Fletcher W. Stites.
Secretary and Treasurer—Robert J. Edgar.

The School Board very kindly consented to allow the team the use of the baseball diamond adjoining the school grounds for all their regularly scheduled games, of which there are twenty, twelve to be played on the home grounds.

It will be necessary to erect a new grand-stand and furnish some additional equipment for the players, and by way of financing this and other expenses, a committee was appointed to solicit members in the baseball club. Members to purchase a membership ticket which will admit them to all games on the home grounds and will cost \$5.00 for the season.

People of Narberth have always been generous in supporting baseball, and it is hoped that they will be equally generous this season, with our prospects of having the best of baseball, practically all our old players in the line-up.

The committee was instructed to start to solicit membership at once, as the first game with Autocar is scheduled for May 17. The schedule for the season will be published in Our Town, but it will be interesting to know that the teams in the Main Line League are as follows:

Autocar, Ardmore, Pa.
R. G. Dun Co.
Drexel Hill
Union Athletic Club, Lansdowne
J. & J. Dobson
Narberth.

Plans are also in progress for an entertainment to be given by the Baseball Club, details to be announced later.

Scout News

Regular meeting of the B. S. A. was held Tuesday evening 7:30 sharp, 24 being present. Measures were taken for uniforms to adorn the principals of the minstrel show and were sent immediately to Van Horn's. Tickets were given out as promised and Scouts started to sell them as soon as the meeting was over. All of them are expected to be sold before the next meeting night, and any help by the townspeople of Narberth will be appreciated.

Business meeting then closed to rehearse for the coming minstrel show, which is to be held April 25. Many inquiries have come in from all sources concerning the program of that evening. Here is a part of it:

First—Minstrel Show, with all members of troupe on the stage.
Second—Pictures of Scout Camp.
Third—Vaudeville consisting of several acts.
Fourth—Act showing scout meeting in progress, bringing in new members,

SCOUT PUG NO. 1.

Suffrage Notes

The Montgomery County Committee of the National American Woman Suffrage Association held its fifth annual convention on April 3rd, at the College Club, Thirteenth and Spruce streets, Philadelphia. After the singing of "America" and prayer by the Rev. Frank M. Gray, of Narberth, Pa., the business session began.

After the usual routine business was completed, Mrs. A. M. Snyder, of Ardmore, Leader for the County, gave us an most interesting review of the National Convention held the week prior in St. Louis, Mo.

Election of officers for the next year resulted in the following: Leader, Mrs. Charles W. Young, Narberth; Vice-Leader, Mrs. C. S. Childs, North Wales; Recording Secretary, Mrs. James Marshall, Noble; Corresponding Secretary, Mrs. William H. Pugh, Jr., Merion, and Treasurer, Miss Margaret P. Saunders, Glenside.

After a most enjoyable luncheon the afternoon session opened. The first speaker was Miss Margaret T. Maguire, Principal of the McCall Public School, Philadelphia, who spoke to us about the welfare of children and what can be done for them through the medium of the public school, particularly when the school are out of the hands of the politicians. I am sure no mother present, and most suffragists are mothers, ever listened to a more spiritual and practical talk.

After a pleasing reading of several poems by Mrs. Gregory, we had the pleasure of an address by Mrs. Charles L. Tiffany, a voter from New York. Mrs. Tiffany is a particular favorite in Montgomery County, as she is a Bryn Mawr alumnus. Our victories during the past ten days in Maine, Michigan and Missouri, together with the enormous suffrage gains of the past year throughout the world, are giving us renewed strength and courage.

At 4:30 the fifth annual convention was declared adjourned by the retiring Leader, Mrs. Snyder.

CIVIC ASSOCIATION MEETING OF MARCH 20.

(Continued from Page 1.)

A committee was appointed consisting of Mrs. E. A. Muschamp, Mrs. J. H. Nash, Mrs. C. W. Young, Mr. J. H. Nash, Mr. H. A. Jacobs, Mr. F. A. Lanahan, Mr. R. J. Edgar, to arrange for cleaning, painting and furnishing the Old Post Office Building. The ladies of the committee agreed to conduct a Home Bake and Cake Sale, to be held on Saturday, April 19, proceeds to help offset the expenses of furnishing the building, which is to be used as a headquarters for the Civic Association and other organizations, also as a convenient location where cake sales, rummage sales, curb markets and other such affairs can be held.

A motion was made and carried that the Civic Association arrange to provide for the care of Narbrook Park until such time as it is taken over by the Borough Councils.

The Secretary was instructed to co-operate with the Main Line Employment Bureau and to advertise the Bureau and offer them the columns of Our Town without charge for necessary publicity.

An Open Letter of Thanks to the People of Narberth

People of Narberth:—I wish to thank you for your patronage during the past seven years. I extend special thanks for the splendid co-operation received in the last few weeks of hardships which I have undergone because of unexpected notice to move.

To Mr. Hamilton, the President of the Merion Title and Trust Co., I extend my heartfelt gratitude for generously extending to me enough time in which to dispose of my stock.

During my stay in Narberth, and especially during the past weeks already mentioned I wish to say that I have not only secured customers, but real friends. This has been proven by the sincere sympathy shown me by everyone.

These true friends have induced me to work all ends and finally make the sacrifice of purchasing the property at an exorbitant price, which would have been and still is almost an impossibility, but for the prospects of the future pointed out by my host of friends. The past few weeks of anxiety have taught me one thing, namely, that reduced prices drew the people. I have seen people in my store whom I have never seen before. Therefore I have resolved to carry a large stock and sell everything at the very lowest possible prices, so that it will pay you to come here before going elsewhere.

Miss Anna Monroe, our new efficient organist, has proved to all that she is among the very best, and with improvements made to the organ the very best music is assured.

Preparations are being made for a great day Easter Sunday. The Bible School will give a special program in the afternoon and in the evening the church will give an entertainment including the Boy Scouts. An elaborate exercise is being arranged, using lantern slides.

The Narberth Home Guards will have part in the memorial service for Norman Brown Sunday evening, and a number of Marines are expected to be present. All those not regularly attending

services elsewhere are invited to join in this service.

Church Notes.

There were 244 present last Sunday morning.

Special meetings will be held next week on Wednesday and Friday evenings, looking forward to the glad Resurrection Message of Easter.

On next Wednesday evening the famous "Railway Evangelist," David J. Fant, of Atlanta, Ga., will be the speaker. Mr. Fant is a locomotive engineer on the Southern Railway.

On Friday evening (Good Friday) the sermon will be delivered by Harry H. Crawford, pastor of the Hermon Presbyterian Church of Frankford, Philadelphia.

There will be an offering made by the congregation on Easter for the Parish House Fund. The increased attendance in our Sunday School makes this building an absolute necessity in the near future.

Reserve the evening of April 23rd for the Missionary Rally, when addresses will be made by Miss Stewart and Miss Peacock.

The Women's Auxiliary

The regular monthly meeting of the Auxiliary was held on Monday evening and was followed by a most enjoyable social hour, when the members of the Board of Directors were the guests of honor.

At the business meeting it was decided by these women to begin preparations at once for placing a new roof on the Y. M. C. A. Building during the coming summer. This will require an expenditure of probably six hundred dollars, and the first effort made toward gathering this amount of money will be a sale of home-made bread, cake, pies and candy on Saturday, April 26th. The representatives for each church at this sale will be Mrs. Edw. Haws, Presbyterian; Mrs. Thomas Trotter, Baptist; and Mrs. C. M. McCracken, Methodist, and we will be very grateful for donations from all members and friends of the Y. M. C. A.

Mrs. Hervey Keim, Treasurer, still reports some small balances due for membership fees. Will the ladies please note?

The managers of the Auxiliary for 1919 are:

Mrs. D. D. Stickney, President.
Mrs. C. E. Kreamer, Vice-President.
Mrs. C. L. McLean, Secretary.
Mrs. Hervey Keim, Treasurer.
Mrs. C. L. Smith, House Manager.

The May meeting will be held on Monday, May 5th, at 8 o'clock promptly, with Mrs. Haws, Mrs. Butler, Mrs. Oddyke, Mrs. Chambley and Mrs. Hervey Keim hostesses.

Anyone passing Y. M. C. A. Building all day Wednesday, April 9th, could not help but feel happy as they heard the hum of interested voices, running of sewing machines and remembered that it was the Evangel Circle of King's Daughters busily working on little clothing for the baby orphans of France, also garments for the sick and planning to

relieve some needy families by sending food, etc.

The members certainly thank our town folk, who so liberally remembered us by sending their cast-off garments for our rummage sale, which netted us \$97.25.

The hostesses for the luncheon were Miss Edna Super and Mrs. F. H. Baker. Report of convention held in Bryn Mawr was given by Mrs. A. M. Graves.

Directors for the Holiday House for the coming year were appointed as follows: Mrs. Charles E. Humphreys, Mrs. H. W. Derby, Mrs. J. Taylor Darlington, Mrs. J. P. Witherow, Mrs. George Merritt Davis, Mrs. A. L. Jacoby.

MRS. GEO. M. DAVIS.

WOMEN'S COMMUNITY CLUB

CHILDREN'S DAY APRIL 15TH.

The program for Tuesday, April 15th, will be given by the children of the members of the club.

As our numbers are now so many, it will be impossible for each child to take a special part, but all will join in the chorus singing. A trained children's choir will be one of the features. All mothers are urged to bring the "kiddies" and join in the Easter party.

ROUND TABLE LUNCHEON THURSDAY, APRIL 24TH.

Invitations have been issued to members and guests of Montgomery and Delaware Counties for the "Round Table" luncheon on Thursday, April 24th, at 1 P. M. There will be an American Day program. Members may invite one guest. Tickets for luncheon, 60 cents.

All reservations must be in the hands of the Chairman of Hospitality, Mrs. Charles Verna, by April 21st.

why this column was so popular last week.

The High School boys' singing period on Fridays is certainly a "howling" success. The big feature of the period is usually a solo by one of the fellows. Mr. Emmett has favored us several times with no sparing of applause.

We note that Henry Mueller has recently adopted long trousers. Henry evidently believes in the slogan, "Eventually, why not now?"

It seems that wild kittens have a liking for Miss Boynton. They certainly cling to her when given a chance.

The Seniors are having exciting times in Physics, we hear. They are studying electricity. Gilbert Ford is wondering whether it is murder to "killawatt," and how heavy a "shock" would make a Leyden "jar."

Miss Martin: "Philip, what is an electric current?"

Livingston: "I guess that is what they grow in a magnetic field."

We cannot write any more for this column at present, as we must make plans to go to the Senior Play, Saturday evening. You will be there, won't you?

We will be glad to book order for Jeddo Coal during the month of April at prices prevailing in Philadelphia and vicinity.

Most of you know that this coal is the best that comes to market, and to those of you who don't, we have no hesitancy in proclaiming the fact that if better coal exists anywhere in the wide earth it has not as yet been discovered.

Our thought is that the Coal Business will be slow this Spring and Summer, to be followed by a stampede in the Fall. Take our advice and order early, and don't forget to order from us, where you will get good coal and lots of appreciation furnished f. o. b. with the goods.

- The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow townsman, and who is progressive enough to add name to list of Register.
- As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses, or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.
